

Sant Hirdaram Girls College, Bhopal

Monthly Report June 2026

Dr. Suneela Choube, Dean and Head, Department of Education, was nominated as a member of the Inspection Committee constituted by Barkatullah University.

On 29 May 2026, the committee visited the following colleges:

- 1. Akhil Bharti College of Education, Bhopal**
- 2. Sky High College of Education, Sehore**

The inspection was conducted in the presence of other committee members. During the visit, all relevant files, records, registers, and documents were thoroughly verified. The teaching and non-teaching staff members were introduced, and their service records and related documents were examined.

The committee also inspected various facilities of the institutions, including laboratories such as Educational Technology (ET), Psychology Laboratory, Teaching Aid Laboratory, and Arts & Craft Laboratory. In addition, the sports ground and library facilities were reviewed.

Library records, including the stock register, accession register, issue register, and other relevant registers, were carefully scrutinized and verified.

After completion of the inspection, the prescribed Inspection Report (Form-B) was duly filled out and submitted to Barkatullah University for further necessary action.

The National Service Scheme (NSS) Unit of Sant Hirdaram Girls College organized a noble initiative of providing free drinking water to passengers at Platform No. 2, Sant Hirdaram Nagar Railway Station on 30 May 2026, considering the intense summer heat. This service activity was conducted with the support of Rail Suvidha Sangharsh Samiti (Jeev Sewa Sansthan).

NSS volunteers actively participated in the initiative and served chilled drinking water to passengers, spreading the message of humanity, compassion, and social service. Amid the scorching heat, this effort provided much-needed relief and support to travelers.

On this occasion, Programme Officers Dr. Meena Barse, Prof. Kanchan Chaturvedi, and Prof. Lata Tahilyani were present and encouraged as well as guided the volunteers throughout the activity.

The NSS Unit of the college, along with the supporting organizations, conveyed the message of service, cooperation, and humanity and expressed commitment to organizing such public welfare activities in the future as well.

On the occasion of World Environment Day (5 June 2026), a Plantation Drive was successfully organized on the college campus by the NCC, NSS, and Nature Club under the coordination of Dr. Dalima Parwani. The programme aimed to promote environmental awareness, encourage tree plantation, and foster a sense of responsibility towards nature among students.

NCC cadets, NSS volunteers, Nature Club members, faculty, and students actively participated in planting various saplings across the campus. The participants were also sensitized to the importance of environmental conservation and sustainable practices.

The programme enhanced environmental awareness, contributed to campus greenery, and encouraged collective action for a cleaner and healthier environment. The enthusiastic participation of all stakeholders made the event a meaningful and successful celebration of World Environment Day.

World Ocean Day Celebration

Monday, 8th June, 2026

On 8 June, the NCC Unit, NSS Unit, and Nature Club jointly organized a World Ocean Day program at Khanu Gaon Water Base to promote environmental awareness and conservation. The event focused on encouraging responsible environmental practices and protecting water resources.

As part of the program, a Polythene-Free Drive was conducted to create awareness about the harmful effects of plastic pollution and to encourage the use of eco-friendly alternatives. A Lake Cleaning Drive was also organized, during which NCC cadets, NSS volunteers, and Nature Club members collected plastic waste and other non-biodegradable materials from the lake area and its surroundings.

The activity witnessed enthusiastic participation from students and faculty members and successfully spread awareness regarding environmental protection, waste management, and conservation of water bodies. The program contributed to improving the cleanliness of the area and strengthening the participants' sense of social and environmental responsibility.

The World Ocean Day celebration was successfully conducted and reflected the institution's commitment to environmental sustainability and community service.

Sant Hirdaram Girls College, Bhopal successfully conducted the National Service Scheme (NSS) 'B' Certificate Examination on 13 June 2026 at 11:00 a.m.

To ensure the smooth and fair conduct of the examination, Dr. Hemlata Verma, NSS Programme Officer from Shyama Prasad Mukherji College, Bhopal, was invited as the External Examiner. She supervised the examination process and evaluated the performance of the participating NSS Volunteers.

National Service Scheme plays a vital role in developing social responsibility, leadership qualities, and a spirit of service among students. A large number of NSS volunteers participated enthusiastically in the examination. The event was successfully organized with the support and coordination of the NSS Unit of the college.

Startup Spark 2.0 – National Startup & Innovation Conclave & Innovation Expo was organized by SAGE University, Indore on 19–20 June 2026.

On 19 June 2026, Ms. Sonia Sharma and Ms. Manju Devnani, Assistant Professors from the Department of Computer Science and representatives of the Institution’s Innovation Council (IIC), Sant Hirdaram Girls College, Bhopal, attended the conclave. The event brought together startups, innovators, investors, incubators, industry experts, and aspiring entrepreneurs, and featured startup pitching competitions, innovation showcases, startup exhibitions, investor and mentor connect sessions, and expert talks.

The participation provided valuable exposure to the latest trends in innovation, entrepreneurship, startup ecosystems, and industry-academia collaboration, which will help strengthen entrepreneurial awareness and innovation-driven activities among students and faculty members of the college.

The Department of Physical Education, in collaboration with the NCC and NSS Departments of Sant Hirdaram Girls College (SHGC), Bhopal, organized the International Yoga Day Celebration 2026 at the Science Building, SHGC Campus.

The program featured a yoga session conducted by Dr. Sunita from Naturopathy College, who guided participants through various yoga practices and highlighted the importance of yoga for physical and mental well-being. Following the yoga session, an energetic Zumba Session was conducted, encouraging fitness and active participation among students and staff.

The event witnessed enthusiastic participation from students, faculty members, NCC cadets, and NSS volunteers. The program successfully promoted health, fitness, and awareness about the benefits of yoga and regular physical activity.

The event was successfully coordinated by the Department of Physical Education, NCC, and NSS, and concluded with a vote of thanks.

Faculty Participation and Achievement – 2nd International Conference at IPER Group of Institutions

Saturday, 27th June, 2026

It is a matter of pride to share that the faculty members of Sant Hirdaram Girls College, Bhopal actively participated in the 2nd International Conference organized by IPER Group of Institutions in association with Barkatullah University, Bhopal, held on 27 June 2026 on the theme “Indian Economy – Gig Model Powered by Artificial Intelligence: Way Ahead.”

The conference commenced with an inaugural session graced by eminent dignitaries, including the Hon'ble Vice-Chancellor of Barkatullah University, distinguished academicians, and international experts from Canada and the United Kingdom. Their addresses highlighted the transformative role of Artificial Intelligence in shaping the Indian economy and the future of the gig ecosystem.

An insightful Panel Discussion followed, featuring industry leaders from renowned organizations such as Zepto, We360.ai, and other leading enterprises. The discussion provided valuable insights into AI-driven innovations, industry expectations, and emerging employment opportunities.

Participation in this prestigious international conference has significantly enhanced the faculty members' academic exposure, research outlook, and understanding of emerging technological trends. The knowledge and insights gained will contribute to strengthening teaching, research, and institutional development.

Faculty Members Representing Sant Hirdaram Girls College:

Dr. Usha Sharma

Ms. Chitra Wadhvani

Ms. Surbhi Sahu

The institution sincerely appreciates the guidance and encouragement of the management for facilitating the participation of the faculty members in this prestigious international academic event, thereby promoting continuous professional development and academic excellence.

Sant Hirdaram Girls College has been actively conducting admission outreach and career guidance initiatives to support prospective students in making informed academic and career choices. Following the declaration of MP Board and CBSE results and the commencement of the E-Pravesh and DTE admission process, the Admission Cell organized personalized home visits and counselling sessions to create awareness about the college's academic programs, including B.Com., B.Sc., BCA, BBA, M.Com., M.Sc., and B.Ed.

These counselling sessions focused on addressing students' individual queries and guiding them according to their interests, aptitude, and future career aspirations. As part of this initiative, more than 1,500 students have been personally counselled, demonstrating the college's strong commitment to student-centric outreach.

In addition to off-campus outreach, students visiting the college are provided with one-on-one career counselling and guided campus tours. They are introduced to the institution's laboratories, library, classrooms, hostel, and other facilities, enabling them to gain first-hand experience of the campus environment and make well-informed decisions about their higher education at SHGC.

The Yearly UG First Year (Regular) Examinations, affiliated with Barkatullah University, are currently being conducted successfully at our Examination Centre (0329) during the Months of June 2026.

The examinations are taking place in the morning shift (9:00 am to 12:00 noon)—with around 415 students from various Bhopal-based colleges participating. These colleges include Mittal institute of Education, Pandit Deendayal College, Madan Maharaj College & Truba Institute of Science & Commerce.

The examination process is being efficiently managed under the supervision of Dr. Meena Barse, serving as Centre Superintendents & Dr. Riya Kewlani, acting as Assistant Centre Superintendents.

All examinations are being conducted smoothly, following the necessary protocols and guidelines. The entire examination team is showing exemplary dedication and professionalism, ensuring the integrity and fairness of the process.
