

SANT HIRDARAM GIRLS COLLEGE, BHOPAL

Monthly Report March 2026

Thursday, 5th March, 2026

Faculty Recruitment Interviews (Code 28) Conducted

The interviews under Code 28 were conducted successfully on 5 March 2026 for the recruitment of faculty positions including Assistant Professor in Biotechnology, Assistant Professor, Associate Professor, and Professor in Commerce and Management, as well as Assistant and Associate Professor in Computer Science and Management. The entire selection process was carried out strictly in accordance with the norms and guidelines prescribed by the University Grants Commission (UGC) and the All-India Council for Technical Education (AICTE), ensuring transparency, fairness, and merit-based evaluation.

The selection committee was duly constituted as per regulatory requirements and comprised distinguished members, including Shri Hotchand Dhanwani, President, SHKES; Dr. Mathura Prasad, Government Nominee; Dr. Ruchi Ghosh Dastidar, Chairperson; Dr. Dalima Parwani, Principal; Dr. Rishikesh Rawat, Subject Expert in Computer Science and Applications; Dr. Kapil Soni, Subject Expert in Biotechnology; and Dr. Narayan Jamod, Subject Expert in Commerce and Management. The presence of subject experts along with the Government Nominee ensured adherence to statutory provisions and the maintenance of academic standards.

The interviews were conducted in a systematic and structured manner, wherein candidates were evaluated on the basis of their academic qualifications, subject knowledge, teaching aptitude, research experience, publications, and overall suitability for the respective posts, in accordance with UGC and AICTE eligibility criteria. Each candidate was provided an equal and fair opportunity to present their subject expertise and teaching abilities before the panel.

The entire process was completed smoothly, maintaining transparency and strict compliance with prescribed guidelines. The selection committee carefully assessed all candidates and finalized its recommendations purely on merit, in alignment with the norms of UGC and AICTE.

On the occasion of International Women's Day, the Sant Hirdaram Girls College Alumni Association (SHOGA) organized an inspiring Alumni Meet and Live Talk Show at Sant Hirdaram Girls College, Bhopal on 7 March 2026. The program aimed to reconnect alumni with their alma mater and motivate current students through their real-life experiences and professional journeys.

The program began with the lighting of the ceremonial lamp and Saraswati Vandana. On this occasion, the Principal, Faculty members, Alumni, and Students were graciously present.

Addressing the gathering, the Principal Dr. Dalima Parwani remarked that the achievements of alumni form the legacy of an institution, and it is the responsibility of present students to carry this legacy forward through their dedication and success.

The highlight of the event was a lively Live Talk Show featuring five distinguished alumni of the college, who are currently placed in prestigious and higher positions in their respective fields. The alumni speakers included Ms. Chandra Panwar (B.Sc. Computer Science), Ms. Ritu Manwani (BCA), Ms. Neeta Agarwal Pawar (M.Sc. Chemistry), Ms. Yashika Yadav (B.Com. Hons.), and Ms. Neha Aheliya (M.Sc. Biotechnology).

During the interactive session, the alumni shared memorable experiences from their college days and discussed how their academic learning and extracurricular activities helped shape their professional careers. They motivated students to develop discipline, confidence, and a continuous learning attitude to achieve success in life.

The talk show included engaging questions about their favourite college memories, inspirations behind their career choices, and the skills that helped them the most in their professional journeys. A rapid-fire round added excitement to the session, where alumni responded to fun questions such as "Library or canteen?", "Hard work or smart work?", and "Early morning study or last-night preparation?", creating a lively interaction with the audience.

The event concluded with a vote of thanks to the alumni for sharing their valuable experiences and inspiring students. The program reflected the spirit of women's empowerment and the celebration of women's achievements, in alignment with the values of International Women's Day.

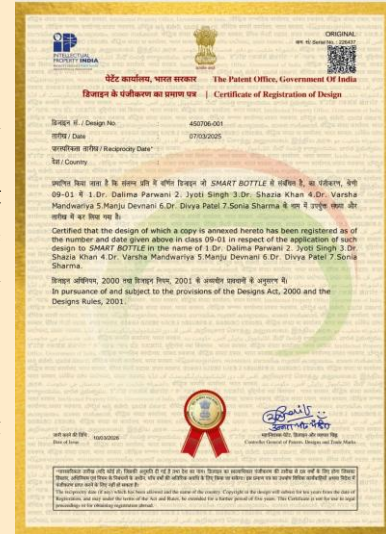

Sant Hirdaram Girls College proudly announces that its distinguished faculty members have been awarded a Certificate of Registration of Design by the Government of India for an innovative Smart Bottle. This prestigious recognition highlights the institution's growing commitment to research, creativity, and applied innovation.

The patent has been conferred upon a distinguished team of faculty members: Dr. Dalima Parwani Principal, Ms. Jyoti Singh HOD Physics, Dr. Shazia Khan Dean Science, Dr. Varsha Mandwariya HOD Mathematics, Ms. Manju Devnani Assistant Professor Computer Science, Dr. Divya Patel Assistant Professor Biotechnology and Ms. Sonia Sharma Assistant Professor Computer Science. Their collaborative effort reflects an exceptional synthesis of academic insight, technological foresight, and practical innovation.

The Smart Bottle design reflects a sophisticated blend of utility and modern technological sensibility, envisioned to cater to contemporary lifestyle needs through intelligent design features. This achievement reinforces the institution's role as a dynamic hub for academic research and inventive exploration.

The faculty members have expressed their deep gratitude to Principal Dr. Dalima Parwani for her visionary leadership, constant encouragement, and for providing an enabling environment that fosters innovation and professional growth. Her indefatigable support has been pivotal in translating conceptual ideas into nationally recognized achievements.

This milestone not only elevates the academic prestige of Sant Hirdaram Girls College but also serves as an inspiration for students and educators alike to engage in meaningful research and innovation.

Sunday to Saturday, 8th to 14th March, 2026

NSS State Level Camp Participation

Tanu Singh, a student of BCA II Year from Sant Hirdaram Girls College, Bhopal, successfully participated in the NSS State Level Camp on Leadership Training held at Chitrakoot from 8 March to 14 March 2026. During the camp, she actively took part in various social service, leadership development, and community engagement activities organized under the National Service Scheme.

The enthusiastic participation of Tanu Singh is highly appreciable as she represented her leadership, social responsibility, and community service at the state-level platform.

Sant Hirdaram Girls College, Bhopal successfully organized a National E-Conference on “Harnessing AI to Empower Gen Z/Millennial Teachers & Students for Effective Classroom Teaching–Learning” on 14 March 2026 in online mode. The conference brought together academicians, researchers, and educators from different parts of the country to deliberate on the transformative role of Artificial Intelligence in modern education.

The inaugural session was graced by Chief Guest Mr. Pravesh Vijayvargiya, MD, Four Cube Solutions, Writer and Social Activist and Guest of Honour Dr. Anil Pise, Senior Data Scientist who emphasized the importance of integrating Artificial Intelligence in education. They highlighted that AI can serve as a powerful tool to enhance the teaching–learning process while ensuring that human creativity, ethical values, and critical thinking remain central to education.

The conference also featured an engaging plenary session by Dr. Munesh Chandra Trivedi, Professor, PSSCIVE who discussed the potential of AI-driven tools in making classrooms more interactive, personalized, and accessible for the digital generation.

The event included two technical sessions where scholars and academicians presented research papers and shared insights on the application of AI in education.

Technical Session I was conducted on the theme “Integrating Artificial Intelligence in Curriculum Development, Academic Planning and Teaching Innovation.” The keynote address was delivered by Dr. Rupesh Kumar Dewang, Associate Professor, Department of Information Technology, National Institute of Technology Raipur. He highlighted key issues such as data privacy and security concerns, bias and fairness in AI systems, and maintaining academic integrity in the AI era. The session also included huge research paper presentations by scholars from different institutions. The session was chaired by Dr. Rohit Bansal, Adjunct Faculty at Rockford College, Sydney, Australia.

SHGC organizes National E-Conference

Technical Session II was organized on the theme “Empowering Gen Z & Millennial Educators and Enhancing Student-Centric Learning through AI.” The keynote speakers included Dr. Pallavi Kaul, Associate Professor, Amity University, who spoke on AI-driven pedagogical innovations, and Dr. Ruchi Jain, Associate Professor at Lakshmi Narayan College of Technology, Bhopal, who shared insights on the role of AI in enhancing student engagement and learning outcomes. The session also featured good number of research paper presentations by participants and was chaired by Dr. Sanjay Pandagale, Associate Professor, Regional Institute of Education, Bhopal.

The valedictory session included the presentation of the conference report by the coordinator. The session was addressed by Dr. Dalima Parwani, Principal of Sant Hirdaram Girls College, who appreciated the efforts of the organizing committee and emphasized the importance of adopting emerging technologies like Artificial Intelligence in higher education to promote innovative teaching and learning practices.

The Chief Guest of the valedictory session, Dr. H. K. Khandai, Head, Department of Continuing Education at Barkatullah University, Bhopal, congratulated the organizers and participants and highlighted the growing role of Artificial Intelligence in enhancing teaching, research, and lifelong learning.

The conference received an enthusiastic response with more than 100 registrations from academicians, researchers, and students from various institutions across the country. The discussions and presentations reflected the increasing significance of Artificial Intelligence in shaping innovative, inclusive, and effective teaching–learning practices for the future.

Staff Picnic 2026: Promoting Team Spirit and Recreation

The staff picnic of the institution was organized on 18 March 2026 at Kanha Fun City. The picnic was planned with the objective of providing relaxation, recreation, and an opportunity for team bonding among the staff members. All teaching and non-teaching staff enthusiastically participated in the event, making it a memorable and enjoyable experience.

The day commenced with the arrival of staff members at the venue, followed by an informal gathering. The staff actively enjoyed various attractions at both the water park and the amusement park, including exciting water rides, wave pools, slides, and amusement rides. These activities offered a refreshing and thrilling experience, enabling everyone to relax and rejuvenate away from their routine responsibilities.

Overall, the staff picnic was conducted smoothly and successfully. It provided a perfect blend of enjoyment and relaxation while strengthening team spirit, coordination, and unity among staff members. The event concluded on a cheerful note, leaving everyone with pleasant and lasting memories.

Empowering Futures: SHGC's Admission Initiatives and Career Guidance

March, 2026

Sant Hirdaram Girls College (SHGC) is actively committed to supporting prospective students through a smooth and informed admission process. Following the completion of examinations conducted by the MP Board and CBSE, the college team promptly initiated home visits to guide students regarding the diverse courses offered at SHGC.

These personalized counselling sessions are designed to address individual concerns and provide tailored academic guidance aligned with each student's aspirations. During these visits, students are also informed about various academic activities, skill development programs, and enrichment initiatives of the college, giving them a holistic understanding of campus life.

In addition, detailed information regarding available scholarships, eligibility criteria, and financial assistance schemes is shared to support deserving students. The college also highlights its dedicated Training & Placement Cell, which provides career guidance, skill enhancement, and placement opportunities with reputed organizations.

The home visit initiative extensively covers Bhopal and nearby regions, ensuring wider outreach and accessibility.

This proactive approach reflects SHGC's commitment to empowering young women by enabling informed educational and career choices. By engaging directly with students and their families, the college fosters a supportive and inclusive environment focused on individual growth.

Achievements of NCC Cadets

Cadet Neelu Mewada and Cadet Ojasvi Shivhare, have successfully participated in three consecutive shooting camps, bringing pride to the institution and to Bhopal through their dedication and excellence.

They first attended the CAPT Shooting Camp held from 30 January to 07 February 2026, followed by the second shooting camp organized at Government Adarsh College, Vidisha from 17 February to 25 February 2026. Presently, they have also participated in the third CAPT Shooting Camp conducted from 23 March to 29 March 2026. Their continuous participation reflects their discipline, commitment, and consistent performance in the field of shooting.

In addition, Cadet Kumkum Lovanshi successfully completed the National Drone Training Camp at Raipur, held from 04 February to 13 February 2026. This achievement highlights the growing involvement and competence of our cadets in technical and advanced training domains.

The college appreciates their hard work and is confident that they will continue to achieve greater milestones in the future, inspiring other students as well.

संत हिरदाराम गर्लस कॉलेज की NCC कैडेट्स ने तीन शूटिंग कैम्प में भाग लेकर बढ़ाया भोपाल का मान

सुखदेव सिंह भोपाल । संत हिरदाराम गर्लस कॉलेज की छह कैडेट्स ने लगातार तीन शूटिंग कैम्प में भाग लेकर अपनी प्रतिभा और समर्पण का उत्कृष्ट प्रदर्शन करते हुए शहर का गौरव बढ़ाया है। कॉलेज की कैडेट नीलू मेवाड़ा और ओजस्वी शिवहरे ने सबसे पहले 30 जनवरी से 7 फरवरी 2026 तक आयोजित छह शूटिंग कैम्प में भाग लिया। इसके बाद दोनों कैडेट्स ने 17 फरवरी से 25 फरवरी 2026 तक शासकीय आदर्श महाविद्यालय में आयोजित दूसरे शूटिंग कैम्प में भी सहभागिता की। वर्तमान में वे 23 मार्च से 29 मार्च 2026 तक आयोजित तृतीय छह शूटिंग कैम्प में भाग ले रही हैं। लगातार तीन कैम्पों में सहभागिता उनके अनुशासन, मेहनत और खेल के प्रति समर्पण को दर्शाती है। इसी क्रम में कॉलेज की कैडेट कुमकुम लोवन्शी ने 4 फरवरी से 13 फरवरी 2026 तक रायपुर में आयोजित राष्ट्रीय ड्रोन प्रशिक्षण शिविर को सफलतापूर्वक पूर्ण किया। यह उपलब्धि छह कैडेट्स की तकनीकी क्षेप में बढ़ती भागीदारी और दक्षता को दर्शाती है। प्राचार्य डॉ. खलिसा पारवानी ने कैडेट्स की उपलब्धियों पर गर्व व्यक्त करते हुए कहा कि उनकी मेहनत और समर्पण अन्य छात्रों के लिए प्रेरणा है। वहीं डॉ. शांति शर्मा ने भी कैडेट्स की सराहना करते हुए उनके उज्ज्वल भविष्य की कामना की।
