SHGC's Admission Initiatives and Career Guidance

Sant Hirdaram Girls College (SHGC) demonstrates exceptional dedication in guiding prospective students through the admission process. Following the release of the MP Board and CBSE results, the team swiftly began home visits to counsel students on the various courses available at SHGC. These personalized visits address individual concerns and provide tailored guidance, aligning with each student's academic aspirations. As of now, more than 600 students have been counselled.

This proactive approach highlights the college's commitment to empowering young women and offering crucial support for informed educational and career decisions. By directly engaging with students and their families, SHGC cultivates a nurturing and inclusive environment that prioritizes each student's unique needs and potential. Additionally, many students who visit the college receive in-depth counseling on appropriate subject selection and are given comprehensive tours of the facilities available at SHGC.

Beyond facilitating admissions, these efforts reflect SHGC's broader mission to promote academic excellence and career development. The college's initiatives simplify the transition to higher education and inspire confidence, equipping students with the knowledge and guidance necessary to succeed in their future endeavors.
